NEWS RELEASE

**REPONSE TO 911 CALL HARASSMENT AND THEFT FROM A  
VEHICLE**

On September 16, 2015 at 5:20 PM, the Kodiak Police Department (KPD) received a 911 emergency call from a concerned citizen reporting an attempted theft from their motor vehicle that was in progress. KPD is currently responding to concerns raised by the individual involved in this incident. In an effort to preserve the individual's privacy, no specific facts will be released at this time; however, KPD has conducted its initial review of this incident and has verified that each of the officers involved acted in a professional and dilatory manner during their investigation and contact with the individual. Further, that any use-of-force was minimal and necessary under the circumstances in order to maintain officer and community safety. KPD recognizes the importance of an open and transparent dialogue with the community and looks forward to providing more specific details after completing a more thorough review of the incident.
